

TravComp[®] – Helping you do more for your workforce

Travelers offers an enhanced claim experience through our new MyTravelers[®] For Injured Employees digital portal. This secure, web-based tool is the centralized access point for all your injured employees' workers compensation claim needs.

You have a unique opportunity with Travelers to provide added value to your workforce. Through *MyTravelers For Injured Employees*, you can help your injured employees easily navigate the workers compensation claim process from recovery to return to work.

As the largest workers compensation carrier, we have made numerous investments to improve the workers compensation claim experience (e.g., ConciergeCLAIM[®] Nurse and Early Severity Predictor[®]) and continue to deliver new workers compensation claim capabilities. We know that engaged employees are at the heart of your business's success. *MyTravelers for Injured Employees* will help your employees easily navigate the workers compensation process—empowering them to take charge of their own recovery and return-to-work plans. This capability makes the workers compensation process easier for you and better for everyone.

TravComp digital capabilities help make the workers compensation claim process better for everyone.

***MyTravelers For Injured Employees* offers:**

- A comprehensive orientation to the workers compensation claim process through our secure digital portal.
- Customized content tailored to injured employees' specific needs.
- Fast and easy provider search.
- Insight into what to expect and the workers compensation claim process.
- The convenience of accessing workers compensation tools and resources through smartphone, tablet or desktop.
- Notifications of status updates and payment information.
- Easy-to-understand information on payments including lost wages, mileage reimbursement, and payments to medical providers.
- Real-time electronic communication between injured employees and the Claim professional through a secure, dedicated channel.
- Improved engagement through real-time, 24/7 access to information allowing injured employees to assume a greater role in managing their own return-to-work treatment plan.

Travelers provides your injured employees an improved claim experience enriched by leading digital capabilities.
